## Trello Board for Project Progress Tracking

To monitor and manage the progress of our project, we have employed Trello as our project management platform. The Trello board for this project is accessible [here](#). This board provides real-time updates on tasks, facilitates collaboration, and enhances overall project visibility.

## Project name and description

---

### *Student Advisory System (SAS)*

---

Many students encounter difficulties when registering for courses each semester and effectively communicating with their academic advisors. These challenges often lead to delays in course selection, scheduling conflicts, and a lack of clarity regarding academic requirements. Recognizing the need for a solution, we have embarked on the development of a comprehensive **Student Advisory System (SAS)**.

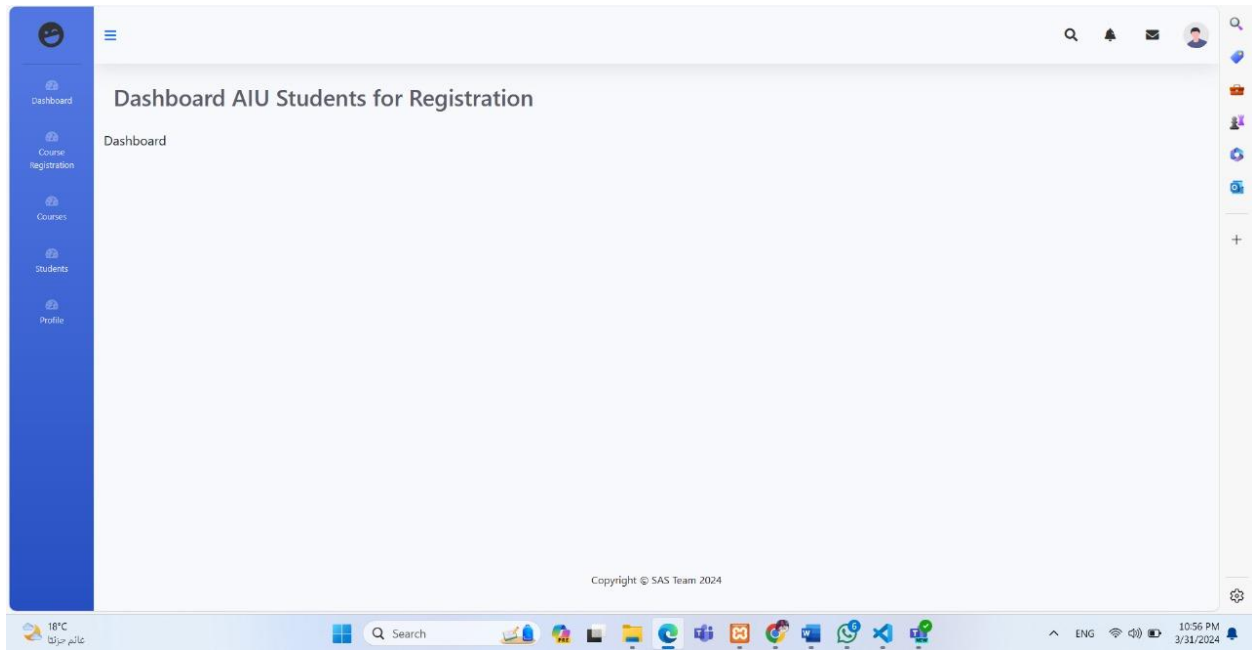

By implementing the **Student Advisory System (SAS)**, we seek to empower students to navigate their academic journey with confidence and efficiency. Through improved registration processes and enhanced communication channels, we aim to enhance the overall academic experience and contribute to student success .

## Recall

As we document in proposal we implement front end we use SB-admin bootstrap template and we edit HTML & CSS in accordance with project requirements, and we develop back end with Laravel framework.

## Front screens

Dashboard can manage the system :

## Manage profile :

The student can enter Name, CGPA, and email :

**Profile**

### Profile

#### Profile Settings

Name	Email
<input type="text" value="test"/>	<input type="text" value="test@aiu.com"/>
Phone	CGPA
<input type="text" value="Phone Number"/>	<input type="text" value="CGPA"/>

## Manage Courses :

The Academic Advisor can add courses available in the semester :

The screenshot shows a web application interface for managing courses. On the left is a blue sidebar with navigation links: Dashboard, Course Registration, Courses, Students, and Profile. The main content area is titled 'Home' and 'List Of Courses'. A blue 'Add Course' button is in the top right corner. Below the title is a table with the following data:

#	Code	Course Name	Program	Action
1	CSE344	Network	SWE	<a href="#">Detail</a> <a href="#">Edit</a> <a href="#">Delete</a>
1	AIE111	AI	AIE	<a href="#">Detail</a> <a href="#">Edit</a> <a href="#">Delete</a>

At the bottom of the interface, there is a copyright notice: 'Copyright © SAS Team 2024'. The Windows taskbar at the very bottom shows the system clock as 10:09 PM on 3/31/2024.

## Courses Registration :

The student choose courses he registered and courses he want register with conflict .

Create Courses Student Rigsted

### Add Courses Rigsted

AIE

--Select Course--	Note	Add More
--Select Course--	Note	remove
--Select Course--	Note	remove

Enter Your problem

## Academic Advisor manage his students

The academic advisor manages his students. The student's problem is presented to him, he studies it, and then he responds to the student by accepting or rejecting the petition.

The screenshot displays a web application interface for an Academic Advisor. The dashboard is titled "Home" and "List Of Student". It features a sidebar with navigation links: Dashboard, Course Registration, Courses, Students, and Profile. The main content area includes a search bar for "Enter ID:", a table of students, and a footer with "Copyright © SAS Team 2024".

**Table of Students:**

#	Name	ID	CGPA	Status	Action
1	Osama	20100XXX	1.67	In progress	<a href="#">Detail</a> <a href="#">Accept</a> <a href="#">Reject</a>
2	Moaz	22101969	3.99	Done	<a href="#">Detail</a> <a href="#">Accept</a> <a href="#">Reject</a>
